

Attention Patients

Effective immediately:

If you have traveled to any state with a high COVID-19 infection rate, you should self-quarantine at home for 14 days immediately upon returning from your travels.

If you have traveled to a state with a high COVID-19 infection and developed symptoms of respiratory illness during those 14 days, schedule an appointment for evaluation and/or COVID-19 testing.

Call (914) 723-8100 for an appointment.

Thank you for your cooperation.
