SMG Registered Dietitian Achieves Board Certification in Obesity and Weight Management

Harrison, NY – Scarsdale Medical Group (SMG), a multi-specialty practice serving Westchester and Fairfield Counties and the surrounding Hudson Valley area, is pleased to announce registered dietitian Diane May, MPH, MS, CDN, RD, CSOWM has achieved board-certification as a Specialist in Obesity and Weight Management by the Commission on Dietetic Registration (CDR).

In order to become board-certified, a qualified healthcare professional must successfully meet rigorous specialty practice requirements and pass a nationally administered exam. As a Certified Specialist in Obesity and Weight Management, Ms. May has comprehensive knowledge of and expertise in obesity and weight management. She will educate and support patients to understand and manage their weight and risks associated with being overweight or obese through nutritional, physical, psychological, behavioral, medical and/or surgical interventions.

“I’m excited about the opportunity to work closely with patients in the community by supporting and assisting with their ongoing healthcare needs,” stated Diane May. “

In addition to weight management, Ms. May specializes nutritional counseling for bariatrics; adolescents and young adults; those with cardiovascular disease; gastrointestinal diseases; autoimmune disorders and oncology.

To make an appointment with Diane May, call (914) 723-8100 or to learn more about the nutrition center at Scarsdale Medical Group visit www.scarsdalemedical.com/nutritioncenter.
