December 8, 2017 – For Immediate Release:

Scarsdale Medical Group Welcomes New Internal Medicine Physician

Harrison, NY – Scarsdale Medical Group (SMG), a multi-specialty practice serving Westchester and Fairfield Counties and the surrounding Hudson Valley area, is happy to announce that internal medicine physician Tiffany Sanders, MD has joined their medical staff. She will begin seeing patients on December 11, 2017 in the Scarsdale office at 259 Heathcote Road.

Tiffany M. Sanders, MD graduated with a BA in Biology from the University of Virginia. She earned her medical degree from Drexel University College of Medicine in Philadelphia. Dr. Sanders completed residency training in Internal medicine at MCP-Hahnemann University Department of Internal Medicine followed by a post-doctoral clinical fellowship in geriatric medicine at Johns Hopkins University of Medicine. She is board-certified in Internal Medicine.

Dr. Sanders' extensive background includes medical leadership positions at several medical centers throughout Connecticut. She has served as the Clinical Director for the Federal Bureau of Prisons and held the title of Medical Officer for the Centers for Medicare and Medicaid Services. It was there where she received the Administrator's Award, the highest agency award, for innovation in the delivery of healthcare services with payment incentives. As part of her commitment to educating primary care providers, Dr. Sanders serves at the Medical Director to the University of Bridgeport's Physician Assistant Institute.

Dr. Sanders is deeply committed to a holistic approach to providing care to her patients. She believes in open dialogue and working together with patients and their families to achieve health and wellness.

“I am very excited to welcome Dr. Sanders to Scarsdale Medical Group,” says managing partner Dr. Kenneth Croen. “She provides a great blend of top-notch clinical knowledge with a strong passion for providing community-based care.”

To make an appointment with Dr. Sanders call (914) 723-8100 or visit www.scarsdalemedical.com.
